

Progressive Thinking on Abortion and Physician-assisted Suicide

**Science abundantly has shown that these means of death
are painful**

**Scripture reveals, and most honest
pro-abortion/pro-assisted suicide supporters, would agree
that a life is being taken**

Self wins out!

- (a) Manifested by Satan, the anti-Christ, and the wicked
{Isaiah 14:12-15; 2 Thess. 2:4; Ps. 73:9}**
- (b) Evidenced by pride {Prov. 16:18}, self-love {2 Timothy 3:2},
self-seeking {Phil 2:21}**
- (3) Focus on the outward appearance {1 Samuel 16:7}, not the heart**
- (4) Question's God's direction {Isaiah 45:9}**

(5) Doubt's God's Grace (2 Cor. 12:9-10)

(6) Evidenced by 'self-deception'

{ 2 Peter 2:3,4; Matt. 24:48-51; 1 Thess. 5:3; Proverbs 14:12 }

**(7) Leads to self-righteousness { Deut. 9:4-6; Is. 64:6; Luke 18:11-12;
Matt. 23:25-28; Luke 11:42 }**

(8) Weak because it:

a. cannot make pure (Prov. 30:12)

b. cannot save (Matt. 5:20)

***** c. rejects God's righteousness (Romans 10:3)**
